Appreciation Certificate – Damascus Governorate

I finished top 6 for my province (Damascus) in the Syrian Scientific Olympiad in the Informatics bracket.

Certificate of Thanks and Appreciation – Al-Beyrouni Institute.

I was awarded the certificate because I had excellent results in 12th grade and received it from the Institute I studied at.

2017

Appreciation Letter – Sony Mobile AB.

I was a member of Sony's Android Concept Initiative (See: [GSMARENA](#), [FoneArena](#), [XperiaBlog](#)), and from 2015 to 2017, I voluntarily worked with them, and they recognised me as one of the most helpful contributors, and was awarded a brand new phone, that the Initiative was moving onto, so that I could keep working with them after they move on. Along with the phone, I received an appreciation letter.

I worked with them for one more year before the Initiative reached its end.
